

A Prayer of Declaration for Phase II of The Kingdom Builders' Center (KBC)

Our Father, we thank You for Your faithful love for us that never ends and Your mercy which never ceases. They are new every morning; great is Your faithfulness. Lord, You are God. You created the heavens and earth and put everything in place. You made the world to be lived in, not to be a place of empty chaos. You are the Lord and there is no other. You publicly proclaim bold promises; You do not whisper obscurities in dark corners. Father, we thank You for the completion of Phase I of The Kingdom Builders' Center. Thank You for blessing us to complete the Corinthian Pointe Residential neighborhood. Thank You for the Jean Hines Caldwell Elementary School, Walgreens, CVS, YMCA and the new McDonald's. We sincerely appreciate the mercy and grace that You have shown our community. Thank You for trusting us with this great vision. We thank You for giving our leaders the vision for Phase II of The Kingdom Builders' Center (KBC). Thank You for providing the resources for us to build. Thank You, Father, for being a wall of fire and protection around our congregation, families and all those involved in the construction of this new building.

In Jesus' Name, we command that God's Kingdom come and His will be done on earth as it is in heaven for the construction of Phase II of The Kingdom Builders' Center (KBC). We believe that You will make our thoughts agreeable to Your will, so that the plans for this project may be established and succeed. Your Word, Father, declares that for lack of advice, plans go wrong; but with many advisers, there is success. Therefore, we confess that we will seek the counsel of the godly as we proceed with Phase II. We declare that we will write the vision for this new project plainly, so that those involved can run and carry the correct message to others. Father, we expect You to call forth competent and skilled laborers for this project, just as You called forth the artisans for the building of the tabernacle. We confess that they will be filled with the Spirit of wisdom, understanding and knowledge. We proclaim that every contractor involved in this project will successfully complete their assignments and bring glory and honor to Your Name. We decree that favor surrounds this project and we will have good success with local, county and state government agencies, the legal and banking communities and every entity associated in the completion of this project. Father, we are confident that Phase II of The Kingdom Builders' Center (KBC) will be completed, because You have begun this good work. Lord, we commit to praying diligently for this project.

Gracious Father, please bless Phase II of The Kingdom Builders' Center (KBC) to be a place of peace, salvation, restoration, and revitalization. Please provide all of the wisdom, finances, and resources that we will need to build this state-of-the-art facility. We ask You to enlighten the hearts and minds of our Church Family to fervently pray for the manifestation of this facility and to support it financially. Help us all to not grow tired of doing good, but remind us that at just the right time, we will reap a harvest of blessing if we do not give up. Father, stir up the faith in us all so that we will walk by faith and not by sight and support this vision through our giving and prayers.

Loving Father, please forgive those of us for questioning the vision of Phase II. Forgive those for speaking idle words against this project. Please forgive us for all of our sins. Holy Spirit, remind us all of those we need to forgive and help us to be quick to forgive.

Holy Spirit, as a Church Family, help us to not yield to temptation; but deliver us from the evil one.

Yours, O Lord, is the greatness, the power and the glory, the victory and the majesty. Everything in the heavens and on earth is Yours and this is Your Kingdom. We adore You as the One who is over all things. In Jesus' Name, Amen.

A Prayer for the Construction of the New Sanctuary

Heavenly Father, we exalt You, our God and King. You are merciful and compassionate, slow to get angry and filled with unfailing love. You are good to everyone. You shower compassion on all of Your creation. All of Your works will thank You! We, Your faithful followers will praise You. We will speak of the glory of Your Kingdom and give examples of Your power. We will tell about Your mighty deeds and about the majesty and glory of Your reign. We thank You, Father, for the completion of Phase I of The Kingdom Builders' Center. Thank You for the construction of the Prayer Institute, which is also soon to come. You are a wonderful Father. Thank You for Your Son, Jesus, who makes our worship experience at WVUMC full of excitement and hope. Holy Spirit, we thank You for Your presence during each of our Worship Celebrations. Thank You for the new Sanctuary that You are blessing our Church Family to build.

Gracious Father, You are our sun and shield. You give us grace and glory. We confess that You will withhold no good thing from us, including the new Sanctuary because we do what is right in Your sight. Lord, because You are our Shepherd; we confess that we have every resource needed for the excellent and efficient construction of the new Sanctuary. We declare that we delight in and look up to You, the Almighty God. As we pray to You, we know that You hear us so we declare that we will succeed in the construction of the new Sanctuary and Your light will shine on the road ahead of us. As we keep Your commandments and walk in Your ways, You have established us as Your holy people. As a Church Family, we declare that we will obey Your voice and do according to all that You have commanded: in the giving of our tithes, offerings and pledges toward the construction of the new Sanctuary. We confess that construction will proceed without delay and every architect, contractor, laborer, and professional will obey Your voice and work as if You are their direct supervisor. We decree that this worksite is holy ground and we are expecting You to dispatch angels to ensure that each assigned task throughout the construction process is completed safely. We expect the construction of the new Sanctuary to be completed on time and under budget.

Holy Spirit, please bless the builders and contractors who will construct the new Sanctuary. If anyone who will work on this project does not know Jesus Christ as their Lord and Savior, we ask that You will draw them to, the Father, so that they may come into communion and relationship with Him. Please give our Pastors and leadership team continued strength, discernment and wisdom as they conduct business with persons involved with this construction project. Holy Spirit, unify the hearts of our Church Family and help us to continue to stand in faith for the completion of the new Sanctuary. Remind each member to honor their pledge commitments. When we begin to attend Worship Celebrations in the new Sanctuary, may we experience Your love, compassion and mercy. Lord, bless the new Sanctuary to be a beacon of light in our nation and to the world.

Father, please forgive us as a Church Family for all acts of sin, including disobedience, hypocrisy, selfish-ambitions, pride, gossip, adultery, fornication, homosexuality, lying and perversion. Forgive us for wrong attitudes that prevent us from obeying You. Forgive us for any occasion that we have entered Your Sanctuary and did not reverence and adore You. Forgive us for failing to realize that Your Sanctuary is a holy place. Forgive those of us who are not praying consistently for this project. Lord, remind us all of those we need to forgive; and help us to forgive.

Holy Spirit, as a Church Family, help us to not yield to temptation; but deliver us from the evil one.

You are our Sovereign Lord, God Almighty. You are awesome in all Your ways. Your works are great and marvelous. All of Your ways are just and true. It is You who rides across the ancient heavens. O God, You are awesome in Your sanctuary. You are the God of Israel who gives strength and power to His people. In Jesus' Name, Amen.
